## Abstract:

This script first study the etymology of Islam, the pure Islam of Mohammad and the American Islam, then investigates the most important specifications and factors of the pure Islam of Mohammad and the consequences of their settlement according to Nahj-al-Balagheh –peak of eloquence--and Imam Khomeini's viewpoints, different from which every point is taken as a distortion to Islam. Then it'll investigate the forbidden perspectives and damages that can deviate, pure Islam from its right track into a wrong one. A deviation that targets just the destruction of genuine Islamic culture and tends to distort Islam, which as Imam described is an American Islam. Imam by pondering and contemplation on lessons and fortune producer parameters of pure Islam, invites real Muslims to revive their lost culture in order to enjoy the comfort of its cool shade and restore their plundered dignity.
