Abstract:

The constitution of the Islamic republic of Iran comes from the Islamic revolution and that became victorious and that was led by Imam Khomeini.

Since Imam Khomeini (peace be upon him) has had clear thoughts concerning the basic subjects of ruling this basic question can be put forward that how have the thoughts of Imam Khomeini (peace be upon him) that have had to do with ruling influenced the formation of the constitution of the Islamic republic of Iran and to what degree that has happened? In this thesis an effort is made to answer the latter question.

The research method is a descriptive-analytical one and the method of collecting the data is going to libraries. With respect to the issues that will be expressed I will reach this conclusion that the thoughts of Imam Khomeini (peace be upon him) and they have to do with ruling have had a decisive effect on the formation of the constitution of the Islamic republic of Iran and particularly the subjects relating to the kind of the rule, sovereignty and the political organizations.
