Abstract:

The present research thesis is about a part of Imam Khomeini's religious beliefs and regarding them it can be said that more attention has been paid to his Quranic thoughts.

Meanwhile Imam has paid particular attention to some of the Ayahs and they have more eschatology aspect and this thesis tries to explain that view and that is based on the eschatology Ayahs.

Key words: *Imam Khomeini the Quran, the Ayahs of the day of the resurrection, the eschatology*
