

Title: The role of the people in the preservation and continuation of the Islamic revolution from the point of view of Imam Khomeini

University: Islamic Azad University, Shahreza branch

Author: Hossein Ajl Louyan

Publication year: 1997

Abstract

The political thought and ideals of Imam Khomeini and especially about the preservation and continuation of the Islamic Revolution are decisive and vital.

The standard methods have been used to extract Imam's ideals from his works regarding the factors which will make the revolution ever-lasting and durable.

In the research, the author has analyzed the reasons for the revolution and the factors behind its continuation and has been classified and analyzed.

Keyword: Imam Khomeini, people, Islamic revolution, political thought
