Thesis Title: Political system in Islam with emphasis on Imam Khomeini's views

Author or writer: Ali Kalyani

University: Islamic Azad University, Tehran branch

Abstract:

In this research, the writers has undertaken the detailed arguments by Imam Khomeini about the Islamic government and the way of managing the society.

 The characteristics of the Islamic ruler are well-defined and described in detail.

The study finds and concludes that the political system of Islam is deeply woven and embeded into the text of Islamic ideology and it is a government that originates from within the rules and pillars of the Islamic religion.
