## **Abstract:**

First in this thesis the writer examines the subject of mysticism and its subject and then I have examined the place of mysticism for Imam (peace be upon him) and after that I have examined what distinguishes mysticism from wise saying and the words and meanwhile I have mentioned Imam's views about that.

After that I point to the subject of the theoretical and what is of an action kind and the kinds of agnosticism and his Imam's views regarding that. In another part I discuss worshipping emphasizing Imam's views and after that I talk about the agnostic ideology and behavior noting Imam's views. And finally, I get to the subject of agnostic positions emphasizing Imam's views and I explain that much.

**Keywords:** Imam Khomeini (peace be upon him), mysticism, the wise saying, the word, worshipping, the circulation and the behavior
