

Title: Study of some inspiring factors in Imam Khomeini's guiding statements addressed to students

Writer or Author: Nasser Bagheri

University: Tehran University, Faculty of Administrative Sciences and Management

Abstract

The subject of this research is to study the structure and content of the statements by Imam Khomeini addressed to students.

The purpose of the research is specifically to study some of the decisive factors in Imam Khomeini's statements which inspired the students during struggle of the Islamic revolution and following the victory.

it also examined the manner and ways Imam had spoken to them and , and what role elements such as symbolic use, repetition, etc. have played in his inspiring speeches.

It has also been discussed that whether the power of influence of Imam Khomeini's message is associated with his manner of speaking, or other factors and conditions had also played an effective role in convincing students.
