

Title: Examining the impact of Imam Khomeini's migration to Paris on the victory of the Islamic Revolution

Author or writer: Mehdi Ansari

University: Islamic Azad University, Shahr-e Ray (Ray city) Branch

Abstract

The author through this thesis, first examines the historical process of Imam's exile to Turkey and then Iraq.

He then discusses details of Imam's activities during his stay in the holy city of Najaf in Iraq.

After that, the research examines the historical process of Imam's migration to Kuwait and then his subsequently migration to France.

And by the end, thesis discusses how Imam during his stay in Paris introduced his message on international level and this span of time proved to be a turning point in the revolution history
